Issue 6 June 2008

Last months demonstration by David De Groot was informative, educating and fun. David had the choice of three trees;

a Crab Apple, Canadian Hemlock and a collected Mountain Hemlock. After giving detailed descriptions and drawings of how each tree could be styled David

had us vote on the tree to be styled. The Collected Mountain Hemlock was the clear winner. The

transformation was pretty amazing. David quickly took the bushy shrub and turned it in to an elegant tree. Everyone bought raffle tickets in hopes of winning the is great tree but in the end there was only one

winner, Harry Flair. Congratulations Harry on winning this fabulous tree! This months meeting will feature a flea market. If you have anything remotely bonsai related stands, pots, books, calligraphy, accent plants, stones, plant starts, trees

you're tired of then bring them along to sell or just come with your wallet ready for great deals.

Dan Laxdall will be at this months meeting and is bringing a selection of his pots. Last time Dan was here his pots went fast. So if you are interested in any of his pots, get there early.

So far about half of our members have signed up to receive the newsletter via email. THANKS! Anyone else wishing to receive the news letter via email please let me know. I can be contacted via phone 360-697-9035 or email webmaster@b0nsai.com (thats bonsai with a zero "0" not an "o") This helps save the club money and time (it takes a long time to print these).

Also I have started a new web site at [Http://www.EvergreenBonsaiSociety.com](http://www.EvergreenBonsaiSociety.com). Please check it out. I plan on making all past present and future newsletters available on the web site as well as lots of other fun and informative content. So if you have any ideas or content for the newsletter or the web site please let me know.

Thanks and see you Friday!

This months meeting will be held at Olympic College in the shop area room 114 on Friday June 20th 7:00 P.M.
