May 2004

This years show was a great success. We handed out over a hundred flyers about the club and sold lots of raffle tickets. All the trees looked wonderful and the response from the public was of awe and wonder. Hopefully we will have some of the people who showed interest at future meetings. I would like to thank everyone who brought trees and helped set up break down and watch over the exhibit. We couldn't have done it without you. I am already looking forward to next year.

This month will be a market day. We will have a good number of Al Mares's trees for sale as well as some pots. If you have any bonsai related items (tree's, pots, books,

magazines, art work etc...) you want to sell or just get rid of bring them in.

If you have a tree you would like some help with or just some styling advice bring it in and our resident club experts will lend a hand.

Don't forget to register for the 2004 Pacific Northwest Bonsai Convention XV "Talk to the Trees". Information and registration can be found at:

This years guest artists are Bob Wilcox, Cheryl Manning, David Rowe and Dan Robinson. The location will be the Laurel Point Inn in Victoria BC Canada.

See you all Friday!

This months meeting will be held at Olympic College in the shop area room
