This month Stan Serbousek will redesign a mature larch to be raffled next month along with other items. Bring a tree to work on after the demo.

Next month we will have a raffle. So if you have any bonsai or bonsai related items you would like to donate to the club for the raffle see Bob Beck at this meeting.

The bonsai table at the Kitsap County Fair was well received by the public. This year two other members showed their trees. We are invited to do the same thing next year. So if you have a couple trees to create a nice display for next year, let us know.

We are still collecting coffee cans for the 05 Convention raffles.
